

GDPR Statement

Stance News (“we”, “us” or “our”) is committed to ensuring the security and protection of the personal information that we process, and to provide a compliant and consistent approach to data protection. This statement explains how we ensure ongoing compliance with GDPR.

Our GDPR Principles

Stance News takes the privacy and security of individuals and their personal information very seriously. Our principles for processing personal information are:

- We process all personal information fairly and lawfully
- We only process personal information for specified and lawful purposes
- Where practical, we keep personal information up to date
- We do not keep personal information for longer than is necessary

Data Subjects Rights under GDPR

An individual can request information from us about:

- What personal information we hold about that person
- The categories of personal information we collect from that person
- The purposes for collecting and processing personal information from that person
- How long we plan to keep the personal information
- The process to have incomplete or inaccurate personal information completed or corrected
- Where applicable, the process for requesting erasure of the personal information or for restricting the processing of personal information in accordance with data protection laws, as well as to object to any direct marketing from us
- About any automated decision-making that we use

Our GDPR compliance plan

Here's an overview of our compliance with GDPR at Stance News:

- We regularly conduct a data mapping inventory and analysis of collected personal information in our systems and records
- We have procedures and policies to restrict processing of personal information
- We have procedures for data breaches and incident responses
- Stance News is published on a WordPress platform and [their policies](#) apply to our website
- We have identified the legal basis for processing personal information and to ensure that each basis is appropriate for the activity it relates to
